Off-Street Parking Crowds to Foreground in C. of C. Interest

Other Organizations Invited to Join in Solving Vital Problem

Antioch merchants are more concerned than ever about the parking problem this year as evidenced at a discussion of the members of the Chamber of Commerce at their meeting Monday noon at Smart's Country House.

Edward J. Sletten of the Antioch National Bank was named chairman of a committee comprising Joe Patrovsky, Russell Barnstable and Herman Holbek which has been asked to study off street parking and how it may be obtained.

The committee will be willing to cooperate with any or all other organizations who are interested in the matter in an attempt at an early solution.

An effort will be made to get merchants to obtain rear door deliveries of merchandise wherever possible so that the double parking of trucks can be eliminated as a traffic hazard, a spokesman for the chamber said.

With the early arrival of warm weather, crowds already have begun to swarm into the village and the result of the larger population in the Antioch area is a greater need for parking space. Lack of it has a tendency to harm business.

Merchants of Antioch are rapidly becoming aware that unless visitors in the village can find ready parking near stores they will trade elsewhere or will encourage market places outside the village.

Antioch High Students Get Top Honors at State Music Contest

Antioch High School musicians made an excellent showing in the state solo and ensemble contest at the Western State Teachers College at Macomb, Ill., Saturday.

Robert Cain received a "superior rating" in a baritone horn solo. "Excellent rating" was won by Lenore McCord, playing the french horn, Paul Mattson, playing the bass horn, and the clarinet quartet composed of Cecelia Hojem, John Kelly, Shirley Olschlager, and Lynn Bolton.

A saxophone quartet composed of Arlene Cribb, Frank Ferdon, Frank Albert and Roy Hartman received "fair" rating.

Mrs. Margaret Aschenbrenner and Carole Hansen were accompanists. The students are in the music department taught by Louis Chenette.

Mrs. Mary Nielsen, 61, Dies After Brief Illness

Mrs. Mary O. Nielsen, 61, Venetian Village, died at 1:30, May 1 at St. Therese hospital following a short illness.

She was born July 9, 1893 in Chicago, where she lived until coming to Lake Marie with her parents at the age of six years. She became the bride of Christ Nielsen in 1911 at Antioch, where they made their home until nine years ago when moving to Venetian Village.

Survivors are her husband, a son Niels of Kenosha, and two daughters, Mrs. Anna Nettles and Mrs. Erna Toft, both of Antioch, two brothers, Sam Sorenson of Chicago and Fred Sorenson of San Antonio, Texas, two sisters, Mrs. Martha Jensen of Antioch and Mrs. Anna Petersen of Libertyville and ten grandchildren.

Funeral services were held at 1:30 Tuesday at the Strang Funeral home. The Rev. Howard Benson officiated. Interment was in Hillside cemetery.

Sequoits Play Grant At Ingleside Friday, Wauconda on Tuesday

Weak pitching and lack of replacements from the stars of last year had plummeted the Antioch High School baseball team from the top to the bottom of the Northwest Conference standings.

The Sequoits lost to Elva Vernon last Friday 11 to 5. The score was a 5-5 tie in the seventh when the Bears unleashed a 6-run scoring spree on Mike Haviland's offerings.

The Grayslake Rams got 18 hits Tuesday in defeating the Sequoits 20 to 7.

In their victory the Rams paced the Frant Bulldogs for leadership in the league standing.

Tomorrow the Sequoits will play Grant at Ingleside and on Tuesday will play at Wauconda.

Mrs. Jeanette Tullumello Republican Club Speaker

Mrs. Jeanette Tullumello, civics instructor at the Antioch Township High school, will speak before the Antioch-Lake Villa Republican Men's club at 8 p. m. next Wednesday in the Lake Villa village hall.

Her talk of 30 minutes duration will provide general information on American government. Charts and maps will be shown. Women are invited.

Antioch Short of Goal in Cancer Fund Drive

With the end of the drive approaching, Antioch has not yet reached its \$875 goal in the Cancer fund campaign.

Last week the county had reached the 80 per cent mark, according to Dr. Marlin T. Leffler, chairman, who believes the goal of \$38,500 for the county will be reached this week.

Antioch has less than \$100 to go. Villages which reached their goal last week were Deerfield-Bannockburn, Lake Bluff, Mundelein, and North Chicago.

Mrs. Robert Berg of Antioch is in charge of the local drive.

Antioch Band to Give Spring Concert May 21 at Local High School

The Antioch Community band announced today that its spring concert will be given Saturday evening, May 21 in the auditorium of the Antioch Township High school.

Besides some excellent entertainment, the purpose of the concert is to raise money to defray the expense of the free outdoor concerts that are given every other week down town throughout the summer.

"We hope for good support in this project," said Chairman William Lahti. "We are preparing a good program with a variety of musical numbers."

"Louis" Chenette of the high school faculty is the bandmaster. The band has been practicing all winter as an adult class.

More members are desired by those in charge of the band.

"We can use more clarinets and saxophones especially, but we can add any instrument suitable for band," said Lahti.

Grade School Children Take Spring Excursions

Spring trips and other activities at the Antioch Grade school are giving the children much enjoyment these days. Last Thursday the fourth grades of Mrs. Fred Yates and Mrs. Russell Barthel went to the Milwaukee museum and the Racine zoo and Mrs. A. L. Dittman and Mrs. James Bruski's fifth graders went to the Chicago Natural History museum Friday.

On Tuesday of this week Mrs. Richard Whitaker's second graders went to the Brookfield zoo and tomorrow Mrs. Donald Cramer's sixth graders will go to the Museum of Science and Industry in Chicago.

The seventh and eighth grade pupils cut short their lunch hour yesterday and went to the roller skating rink at Twin Lakes where they enjoyed skating for two hours. They were chaperoned by Mrs. Edna Becker and Mrs. James Bruski.

Goes to Chicago Hospital
Victor Bown, electrician and plumber, has been taken to the Illinois Research hospital in Chicago for complete diagnosis.

Jewel Tea Co. Will Establish Food Store In Antioch By Fall

Fillweber, Wilton Properties Purchased by Co. Erecting Building

Antioch is to have a Jewel Tea Company store.

Purchase of the Harold E. Fillweber residential property at 426 Lake st. and the Mrs. Clara Wilton residential property to the west at a total sum approaching \$50,000 was completed by the Charles Schragger Co. Monday.

The Schragger Company builds the store buildings for the Jewel Tea Co. which gives it a 10 year lease.

Schragger expects to put up a building 80 x 150 feet in dimension for the super market. There will be a sizeable parking lot to the west. The properties are on the south side of Lake st. just west of the post-office block with a lot intervening.

Fillweber expects to move his residence south to a lot he owns on a back court street. The Wilton residence will be either sold or torn down.

It is expected that work will be started on the project within 45 days.

The village board met in special session Friday evening in approving the business building. Because the village has no zoning laws, the Schragger Co. wanted assurance that it would have no trouble in the future in event of a zoning code.

The Jewel Tea Co. with headquarters in Barrington and Chicago, is one of the large chain food stores of the nation. It has stores in Waukegan, Libertyville and Fox Lake, and is adding its second store in Waukegan.

The stores are modern in every respect and should share in Antioch's ever increasing trade.

Robert Cain to Head ATHS Student Council Representatives Named

Robert Cain was elected president of the Student council of Antioch Township High School as the result of the school election.

Joanne Haydon was chosen vice president; Pat Hamlin, secretary; and Joan Forbrich, treasurer.

Student representatives are: Juniors—Donald Cardiff, Cynthia Bauguess, Sheryl Mair, sophomores—Lynn Bolton, Fred Libert, Betty January, and freshmen—Norman Palenski, Kathy Arndt, and Karen Rentner.

The following persons became members of the council on the basis of their position in activities:

Charles Behrendt, junior class president; Jerry Huml, sophomore class president; Paula Zelen, freshman class president; Mary Tully, Tom Tom editor; and Carol Frazier, Future Homemakers of America.

Liquor-Cheese Store At Antioch Recreation

The Antioch Recreation company is arranging the opening of a liquor and cheese market in the display room in the northwest corner of the bowling lanes building and Harry Linder will be in charge.

The store will feature Wisconsin cheese and party snacks along with package liquor.

Although the store will be open this weekend, the full stock will not be installed until later.

Mothers Day is this Sunday!

Legion Announces 3rd Annual Queen Contest; Calls for Candidates

The American Legion will conduct its third queen contest with the trip to Washington, D. C., for the winner and her mother again as the prize.

William Lahti, chairman, again has issued the call for candidates—unmarried women between 16 and 35 and voting will be the same as last year and the year before.

Virginia Runge was last year's winner and Joan Cervenkova the winner in 1953.

Known this year as The American Legion Queen contest instead of the Carnival Queen, the deadline for entries has been set at May 14. The crowning of the queen will be on Sunday, July 10 after the votes have been counted the night before.

To add interest to the contest the American Legion is awarding a \$100 government bond as the second prize, \$75 for the third place, \$50 bond for the fourth place and \$25 bond for the fifth place.

Other contestants will receive consolation prizes.

"We are trying to make this the best contest yet," said Lahti who has two queens of former years to testify to the enjoyment of the trips to the nation's capital.

The queen is expected to receive opportunity to appear at other Legion events about the county, a situation which was not possible when she was known as a carnival queen.

High School Students To Give Talent Show At Downey on Thursday

The third of a series of talent shows being presented by students of the various classes at Antioch Township High school will be given at Downey hospital next Thursday evening.

The numbers were selected by the Faculty-Student rating committee from the outstanding numbers chosen by the student body from a series of class talent programs. The programs are under the supervision of the Student Council. The director for the final presentation is Mr. Donald Chipetta.

The last of the series of shows will be the Community program presented at the Antioch High school on Saturday, May 14, at 8 p. m. Tickets are now on sale.

Garage and Car Burn at Channel Lake Home

Fire destroyed the garage of Joseph Vachta at Channel lake at 12:10 a. m. Wednesday, and with it a Mercury automobile belonging to William Leska who occupies the upstairs apartment at the Vachta residence. Cause of the fire has not been determined by Fire Chief Edgar Simonsen who said the building was gutted before the department arrived.

The Vachta residence is opposite the Paul Chase service station.

The building had a valuation of \$2,000 with insurance of \$800 while the car had a valuation of \$900 with no insurance, according to the Vachtas.

Village Board Votes in Favor of Census, But Doesn't Say When

The village board has decided upon an interim census for Antioch but just when it will be taken is not known.

In a special meeting Friday the board approved the census, but Clerk Clarence Shultis said that no instruction was given as to when it should be sought.

The board recently employed the fire department to make a cursory count which showed an increase in population from 1,300 to 1,643. On this basis it was concluded that the cost of an official count would be justified in that it would bring in more motor fuel tax.

Some are of the opinion that if the village waits until the close of the building season many more families will be living in the new subdivisions and that a greater income will be had.

Classes in Photography Announced for Adults and 4-H Boys and Girls

Farmers and homemakers have been extended an invitation by Farm Adviser Ray T. Nicholas, and Helen Volk, Home Adviser, to attend a meeting Friday night, May 6 to learn how to take better pictures. The meeting will be conducted by the advisers, who will discuss and show motion pictures and slides on taking pictures. A motion picture entitled "It's a Snap," and a series of slides "Introduction to Picture Taking" will be shown.

The meeting will be held at 8 p. m. at the Millburn Congregational church, located on route 45 about 3 miles north of Grand Avenue (route 132). An exhibit of photographic equipment will be on display at the meeting place.

"The purpose of the meeting," stated the advisers, "is to inspire and help people take pleasing pictures of the family, friends, pets, livestock, buildings, landscapes, and other subjects."

Four-H boys and girls may also carry the course and enrollment cards may be obtained by writing to Farm Adviser Ray Nicholas at Grayslake.

The second lesson will be on May 19, and the third on June 23.

School Registration Day
Friday, May 13 will be considered registration day for all children entering the first grade of the Channel Lake Grade school. The children must be in school from 9:30 to 1 p. m. to become acquainted with the school system. They are to bring 25 cents for luncheon. Mrs. Dorothy Edwards, teacher announced.

Antioch Starts New Fiscal Year with No Change in Trustees

All Funds in Black; Board Prepares for Annual Books Audit

Mayor James McMillen administered the oath of office to the re-elected village trustees Tuesday evening and business of the board rolled along without a ripple.

Edmund Vos, Murrill Cunningham, and George Garland were installed for regular terms while Ernest H. Glenn, an appointee in the place of Edgar Simonsen, was elected for the rest of the term.

President McMillen re-appointed all of his last year's appointees, making Walter I. Scott, chief of police; Edgar Simonsen, fire chief; Atty. Edward Jacobs, village attorney; and Dr. D. N. Deering, health officer.

Few committee changes were made, but Trustee Glenn was made chairman of the sewer and water committee, giving him a chairmanship the same as the others. Most of the business of the board is done as a committee of the whole anyway. Committee reports are seldom called for, but committee chairmen lead the discussions.

The report of the treasurer, Mrs. Martha Hunter, shows that at the close of the fiscal year the village was in the black to the extent of \$2,725.94. Receipt of \$2,000 for land sold east of the Soo-Line tracks and other property income saved the fund from being written in red ink, however.

The board may seek bids on the auditing job next year. E. F. Laurin of Arlington Heights who has had the job for many years and who set up the present bookkeeping system, increased his price this year. The board was under the impression that the present system would take less time, but Laurin says that while the work is speeded up, Antioch is transacting more business.

The parking meter fund stood at \$1,283.52.

Installation of the new automatic flasher lights at the Depot st. crossing of the Soo-Line is expected this summer. The Illinois Commerce Commission ordered the railroad to install the signals with Antioch bearing half the expense. The village will apply \$4,000 of its motor fuel tax fund.

Virgil Burnette was approved as a new member of the fire department.

The Lions Club will stage its carnival August 3 to 7 inclusive.

The Veterans of Foreign Wars was given permission to stage its Poppy Day May 20 and 21.

Mrs. Scully Elected Recording Secretary Of Girl Scout Council

Mrs. Anthony Scully of 807 N. Main st. was elected recording secretary of the Lakeside Girl Scout Council at its meeting held at the Antioch Scout House recently.

Mrs. Arthur E. Storch of Lake Villa was named president; Mrs. Wallace Halla of Round Lake, vice president; Mrs. Eugene Erickson of Round Lake, second vice president; Mrs. Wanda Boxley, Fox Lake, corresponding secretary; Mrs. Ellis T. Kipp, Grayslake, treasurer; and Mrs. Anders Nordling, Fox Lake, registrar.

There are 956 registered scouts in the council.

Mrs. Richard Chapman of Lake Villa, is a member at large.

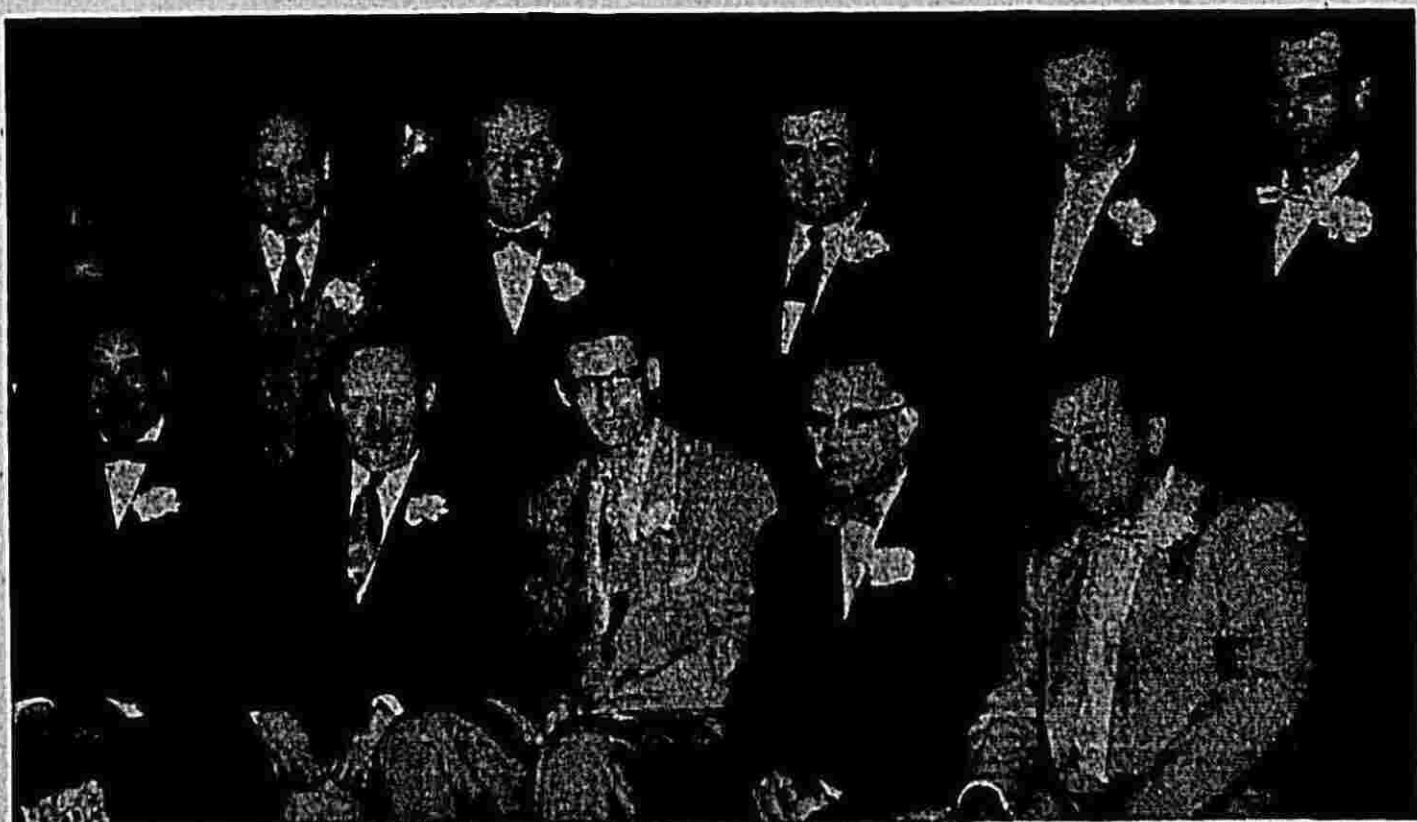

Antioch girl scouts are working on their First Aid Badge under the instruction of Mrs. Richard Carlucci. They have learned how to make their first aid kits, preventing accidents, and have their own emergency telephone cards. The course will take four meetings.

Drainage of Surface Water Is Problem at Drom Ct. and N. Ave.

Surface water is becoming a problem at Drom court and other parts of North avenue, according to E. J. Thiele, who appeared at the village board meeting Tuesday evening to seek help of the village in clearing up the problem.

It was brought out at the meeting that construction of the new Regal China building had resulted in cutting of some sewer lines which had apparently been used improperly for surface drainage heretofore, and grading and re-routing of water from the Crown subdivision has resulted in surface water accumulating in Drom court and nearby areas.

The village board has instructed Village Engineer Miller to survey existing conditions and ascertain what can be done to eliminate the problem, but it is believed that it will be up to the property owners affected to bear the cost of the actual work of installing a drainage system.

Installed as officers of the Moose lodge Sunday, April 24 were, left to right seated, Rick Eckert, B. Bushmale, Frank Kennedy, Jr., Ben Noble, Lester Nelson; standing, Arthur Anderson, Henry Grewe, Bernie Pulf, Homer Toft, and Morris Verkest. (Photo by Al France.)

Buffalo Steaks to T-Bones

The meat industry, as we know it, is substantially less than a century old.

The great change began after the Civil War. The industrial revolution was in full swing. Our cities were growing swiftly, largely because of the greatly increased immigration. Large-scale production in all fields was becoming the order of the day. Demand for meat soared.

But before that demand could be satisfactorily met, four problems had to be solved. One was transportation, so that cattle could be raised on the ranges of the West and marketed in the East. Another was refrigeration, so that dressed meat could be moved without spoiling. A third was the need for cash livestock markets, so that the men who took the long risks involved in raising cattle could be sure of selling them when they were ready. A fourth was leadership, that would build and integrate the industry.

Solutions to all four of these problems began developing in the period from 1865 to 1875. Great railroads were built into the West and Southwest. Experiments with refrigerator cars were carried on, and, after much trial and error, success was achieved. Livestock commission firms were organized on a sizeable scale, and helped to change marketing from a credit to a cash business. And the men who were destined to become the leaders of the packing industry in this period of revolutionary change came into the limelight.

Then—as now—the meat industry was a prime example of the competitive free enterprise system. The amazing progress that took place in so short a period of time is lasting testimonial to the vigor and effectiveness of that system.

* * *

Insulting American Enterprise

A short time ago a meeting was held in a Southern state to discuss problems connected with the electric power situation. The mayor of a large city, according to press reports, said that he "couldn't allow the city to get into a position of having to look to private sources for an electrical energy supply."

That would be a logical attitude for an officeholder in one of the socialist countries, which work on the philosophy that government should own everything, do everything, and boss everything and everyone. But, in a nation whose strength, wealth and living standards are primarily the result of the workings of the free private enterprise system, it seems a little surprising to say the least.

The Pine Bluffs, Ark., Commercial had this to say about the mayor's statement: "If private capital is gradually choked off and throttled and the public's money allowed to gain a foothold in the utility field—or any other field—there will be less and less tax funds available. This is an insidious encroachment; something that, if unchecked, can spread to all lines of effort, leading in time to a completely

socialized government. That is the way of life America has been fighting against."

If a community shouldn't have to look to private enterprise for its electric energy supply, it shouldn't have to look to private enterprise for its food supply, its clothing supply, its supply of entertainment and reading matter, or anything else. For, if socialism is right for one commodity or service, it is right for all.

* * *

The Bureaucrat's Dream

When a householder buys natural gas from a utility company, he buys it at a price and under conditions which are regulated by public service commissions, just as in the case of electricity. The pipelines which carry gas in interstate commerce are federally regulated.

No one objects to this. But when the government is given the power to regulate natural gas at the well-head in the field—which has happened as the result of a Supreme Court decision—the situation is enormously different.

Natural gas in the field is a commodity that is no different from potatoes in the ground, fish in the ocean, wool on the sheep, or any other commodity that is sold competitively in the open market. There is exactly as much justification for government price control over a thousand and one other commodities as there is for it on gas at the wellhead. Thus, the precedent is set for price controls over all commodities, and therefore over all business.

On top of that, if federal regulation is continued, gas shortages are inevitable. Only one well in 44 leads to a substantial field. Only the incentive of a profit commensurate with so great a risk will keep producers hunting for more gas.

Legislation has been introduced in Congress to free the independent gas producers of well-head regulation, and leaders in both parties support it. So does the President's Fuels Policy Committee, which said that producers should be thus exempted "in the interests of a sound fuels policy and the protection of the national defense and consumer interest."

* * *

The Low Down From Hickory Grove

You know, you see gents all dressed up—delegates of their town or state—down at the depot, headed for Hand-out-Town on the banks of the waning Potomac. All are on the same mission. Looking for swag. There is do-re-mi in them thar parts for the picking up of same, if you can hook up with the right congressman or senator—the ones who like it thereabouts, and choose to finish in first place at the coming election. It is not his money—the great man figures—and if the dishing-out of same will get him a vote, he acts quick.

Gee whiz, says Henry. Where does this loose money come from that is floatin' around looking for votes? It's quite simple, I says, so harken. The beaming, well-fed delegates from far and wide, who pick up the hand-out there, and arrive back home, with a band and the populace on the depot platform awaiting their return, seem as confused as you. Well, thank you, says Henry—very much. The do-re-mi brought home for the new court house or croquet ground or scenic drive is the very same cash money you left at the income tax man's pay-up window on April 15. My word! says Henry. And from the time the Tax Man gets it from you, till your well-fed delegate arrives home with the hand-out, there has been a heap of erosion—you get back a lot less than you put in.

Over at the school house there should be more accent on how not to be a sucker—when you grow up. Yours with the low down,

JO SERRA

HICKORY

Mrs. Glen Fox of Pikeville road and Mrs. Wm. Horton, Sr., of rte. 173 were among the nine women members of the Moose lodge of Antioch who attended the Academy of Friendship held at Downers Grove on Sunday, May 1.

Mr. and Mrs. Carl Zello of Milwaukee were Sunday dinner guests of Mr. and Mrs. Richard Wells on April 24, and attended the baptismal service for baby "Carol Jean" Wells, their granddaughter.

Mr. and Mrs. Robert Sheehan of Waukegan were Saturday evening visitors at the Joe Sheehan home.

A. N. Christensen and son, Egan, from Waukegan visited the N. C. Christensen family Sunday evening.

Mrs. Grace Turnock of Kenosha visited Mrs. Emmet King on Thursday and was a supper guest at the Wilson King home.

Mr. and Mrs. Harold Butler and children of Waukegan were Sunday afternoon and supper guests at the Curtis Wells home.

Mrs. Jack Finkel went to DeKalb on Sunday and visited her brother who is a student there.

Mr. and Mrs. Wilbur Hunter and son, Jerry, also Mrs. Dorothy Van Patten and children were Sunday dinner and supper guests at the William Gerber home in Antioch in honor of little Janice Gerber's first birthday on Saturday, April 30.

Mr. and Mrs. Earl Levin of Waukegan were Tuesday evening, April 26th, guests at the Earle Crawford home.

LAKE VILLA

Next Sunday is Mother's Day and will be observed at the Community church when baptism of children and reception of members will also be a part of the service.

The result of the poll of members and friends in regard to a second Sunday service during the summer months showed that the majority favored the idea, so plans are being made to have an 8:30 service, beginning on the first Sunday in June.

Rev. Plummer officiated last Saturday at 12:30 at the marriage service of Mr. M. J. Connell of Florida and Mrs. Helen Weber at the Community church in the presence of a number of relatives and friends. Mr. and Mrs. George Mitchell, brother-in-law and sister of the bride, attended the couple and the wedding party enjoyed a dinner at the Smart Country House near Antioch. They left on a trip to New

York and on their return will live at the bride's home at Sand Lake.

Mr. and Mrs. George Mitchell of Evanston and Miss Sue Weber of Chicago spent the week end with the Weber families.

The Lake Villa Grade school band presented a concert at the school gym on Sunday afternoon under the direction of Mr. Rush and Mrs. Margaret Aschenbrenner, and the place was filled to capacity. Mrs. Alfreda Schueler directed the kindergarten rhythm band and both junior and senior bands played as well as the violin trio. The school chorus presented several numbers, and it was a very splendid musical entertainment. B. J. Hooper, president of the school board presented the medals to the members of the band.

The supper and dance sponsored by the P. T. A. at the school Saturday evening was a successful affair in every way. Many enjoyed the dinner and others came in later for the dancing, both modern and square, to the music of Bob May's orchestra. Mr. Chandler did the calling.

Seventy members of the Lake Villa grade school band directed by Mr. Thala Rush made the trip to Peoria last Saturday, April 23, and were awarded a first in the Class D State final competition. Many of the parents went by car to see and hear the children. Those making

the trip were Mrs. Thomas Moorman, Mrs. Stuart Cox, Mr. and Mrs. Warren Brown, Mr. and Mrs. T. W. Rush, Mr. and Mrs. E. Kostelny, Mr. and Mrs. S. Hoffman, James DeWaters, Mr. and Mrs. Herman Wolff, Mr. and Mrs. Max Pilz, Mr. and Mrs. Philip Wagner, Mrs. Alice Meyer, Mr. and Mrs. N. Goetsch, Mr. and Mrs. E. Krogh, Mr. and Mrs. E. Schlunz, Jr., Walter and Betty Gebhardt, and Mrs. Antoine Kasow.

Mrs. Alice Bloom and daughter Alice of Chicago were week end guests of Mr. and Mrs. F. Emerson, and last Wednesday evening Mrs. Emerson, as past worthy matron was escorted to the East at Logan Square chapter in Chicago. Mr. and Mrs. Emerson were guests of Mr. and Mrs. R. Thompson in Chicago during the week, also of Mr. and Mrs. M. Milmore in Zion. On Saturday Mrs. Emerson and Mrs. M. Milmore attended a basketball game at Schurz High school in Chicago.

Mrs. Mildred Schneider entertained a number of little folks at a party at her home last Friday afternoon in celebration of her son, Gary Lee's seventh birthday.

Mrs. E. Holvay, Kathie and Buddy left Sunday morning for a two weeks vacation in Georgia and will visit relatives there. Mr. Holvay is employed at the Walgreen Drug store in Waukegan.

Mr. and Mrs. Lester Hamlin left a week ago to visit their son Charles in a naval hospital at San Diego, Cal., and their second son, Allan with the army at Ft. Bliss, Texas. In the meantime Mrs. Hamlin's sister, Mrs. George Beemsterboer and children of Chicago are at the Hamlin home.

Lake Villa Woman's Club
The Lake Villa Woman's club met Tuesday evening, April 26 at the home of Delores Cremin with the vice president Emma Williamson presiding. The nominating committee, Helen Fath, Ollie Martin and Ellen Petersen reported on nomination of officers for the coming year and they were elected as follows: President, Virginia Belke (second term); vice president, Mildred Greene; treasurer, Mrs. Thompson; recording secretary, Ruth Bocox; and corresponding secretary, Eleanor Holvay (second term). A

"thank you" note from Mrs. M. D. Appleby, secretary of the Lake Villa Township library thanking the Woman's club for their donation to the library and to its summer Reading program for the children was read. It was agreed upon to donate funds to "The Cross," of which 5 million members of General Federated clubs are collecting funds to be dedicated to Christian unity and will contain shrines for all denominations. It will be located in southern Illinois on top of Bald Knob mountain. After

the business meeting Miss Cornelia Roberts, dean of girls at the Grayslake High school was the guest speaker. The ladies all enjoyed a friendly visit with Miss Roberts as she talked about her many hobbies. She had displays of part of her jewelry, small books, and box collections. Refreshments were served by the hostess, Delores Cremin, co-hostesses Marie Bunkelman, Betty Reidel and Jean Mack. We were sorry the president Virginia Belke, was unable to attend.

Ray
Says

A bunch of little kids started running all over my filling station Saturday. They said that some 'big kids' told them the Easter bunny hid a lot of Easter eggs around my station. I guess I laid an egg handing that one.

Can you see, steer, stop safely? ... Check your car ... check accidents

LOOKING FOR MORE VALUE from your motor car dollars? Then, look no more. Ford brings you a wealth of fine-car features that even some of the higher-priced cars can't match.

For example, the chart above shows that in feature after feature Ford gives you everything you have come to expect in a medium-priced car ... and more. Yet, a Ford Fairlane Town Sedan costs* you less than the lowest-priced comparably equipped 4-door sedan of four popular medium-priced makes.

And, with Ford recognized as the style leader ... "at home" wherever you may go ... why pay more?

Feature for feature ... price for price ... you can't buy better than Ford.

*Based on manufacturer's suggested list price.

MILLBURN

Mother's Day will be observed at the regular service at Millburn Congregational church May 8 at 11 o'clock a. m. and Sunday school at 9:45 a. m.

Members of the Ladies Aid Society will meet at the church for the monthly business meeting and devotional program Thursday, May 5, at 3 p. m. The film, "In the Steps of the Great Physician" will be shown. The supper will be at 5 o'clock. Everyone is cordially invited.

Mr. and Mrs. Robert Erwin of Waukegan were callers at the Frank Edwards home Sunday afternoon.

Mr. Hart Webb of Kenosha was a caller at the Myrtle Savage home Saturday afternoon.

Mr. and Mrs. L. H. Messersmith, Mrs. Emmet King and Mrs. Beatrice Anderson attended Spring Meeting of the Chicago Theological Seminary in Chicago Tuesday afternoon and evening. Mr. Messersmith was elected moderator of the Chicago Congregational association at its 102nd annual meeting.

The public is invited to the Pilgrim Fellowship next Sunday evening, May 8, at 8 p. m., when a sound film, "Sound of a Stone" will be shown.

Mr. and Mrs. Wilmer Hook of Waukegan and Mrs. Lena Strang of Gurnee were callers at the home of Mrs. Ida Truax Sunday afternoon.

Mr. and Mrs. Walter Paulsen and family of Glen Ellyn spent Sunday at the William Paulsen home.

The Millburn P. T. A. is sponsoring a dance to be held at Camp Hastings Y. M. C. A. Saturday evening, May 7. The public is invited.

Fifteen were represented from Millburn at the Lake County meeting of the Congregational Christian Women's Fellowship groups held at the Washburn church at Hal fDay on Wednesday, April 27.

The regular meeting of the Mylo club was held at the home of Mrs. Don Truax last Tuesday evening.

The Men's club is sponsoring a Mother-Daughter banquet Wednesday evening, May 11 at 7:30 p. m. Reservations must be in by May 9. Call Verlon Groves, Frank Edwards, Homer White or Richard Dus Sault to make your reservations.

Mrs. Frank Hauser spent Monday with her daughter, Mrs. Orville Hairrell, Jr., in Waukegan.

Billy Bonner, son of Mr. and Mrs. Roy Bonner fractured his wrist Saturday.

The Men's club met at the church Monday evening. A business meeting was held and officers for the ensuing year were elected, as follows: president, Arthur Riegler; vice president, Tom Harness; secretary, Frank Edwards, and treasurer, Vaughn Sherwin. Their meetings will be held the second Monday of each month instead of the first Monday.

Punch-line to the year's hottest power story—

Chevrolet "Turbo-Fire V8"!

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR* stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class—and a raft of others besides. In the one-mile straightaway run for low-priced cars, the first two places—and six of the first ten—went to Chevrolets. And in acceleration runs from a standing start against all

comers, Chevrolet beat all other low-priced cars—and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry (that means less piston travel...longer engine life!) And it delivers the highest power per pound of any V8 in the low-priced field. It's so efficient that it requires only four quarts of oil instead of the usual five...needs less radiator cool-

ant, too. It's the most modern V8 under anybody's hood!

It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower—or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at extra cost) puts 180 h.p. under your toe!

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to everyone else on the road!

No other low-priced car has any—no high-priced car has all—of these great Chevrolet features!

Body by Fisher—Nine engine-drive choices in any model—12-volt electrical system—Anti-Dive braking—Outrigger rear springs—Ball-Race steering—High-Level ventilation—Double-Arch cowl construction.

*National Association for Stock Car Auto Racing.

Out On A Limb With High Values?

VALUES are up! Are your insurance defenses up too? Or, if disaster strikes, will you be caught with too little insurance to cover the loss?

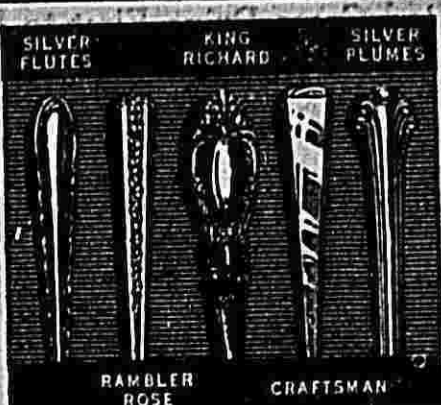

Don't take a chance. Make sure NOW that you have adequate, up-to-the-minute insurance protection. Call on us.

Officers Installed by Woman's Club at Final Meeting and Luncheon

The final meeting of the Antioch Woman's club for the spring was held last Monday at the Country Squire. A large turnout spent a most enjoyable afternoon of cards, after a delicious luncheon.

During the business meeting it was announced that the Woman's Club cup for the two most outstanding high school students would be presented to Rosemary Wolf and Jim McMillen, when the honors are awarded in June.

A gift to the library reference room has been made in the name of the club by Mrs. Donald Sargol—three cases of very attractively mounted birds. It has already aroused the children's interest; many of the birds are from this locality.

The new officers elected for the following year are:

President—Mrs. Clarence Spiering; vice president—Mrs. C. E. Hennings; recording secretary—Mrs. Myrus Nelson; corresponding secretary—Mrs. Clarence Olson, and treasurer—Mrs. John Dupre.

The standing committees are:

Art—Mrs. Frank Powles; Citizenship—Mrs. Joseph De Stephano; Education—Mrs. Melvin Stillson; Garden—Mrs. O. I. Onstad; Literature—Mrs. Dudley Kennedy; Membership—Mrs. Ted Larson; Music—Mrs. Earl Hays; Publicity—Mrs. Warren Polley; Public Welfare—Mrs. Morris Pickus; Rehabilitation—Mrs. Louis Biel; Co-chairman—Mrs. A. H. Kaufmann; Social—Mrs. Clarence Kufalk; Ways and Means—Mrs. Fred May, co-chairman, Mrs. C. E. Gaffey, and Civil Defense—Mrs. John Horan.

The new program chairman, Mrs. Robert Berg, has had to resign and Mrs. William Brook was appointed to fill the chairmanship.

The committee in charge of the afternoon consisted of Mrs. Hadley Simons, chairman, Mrs. O. W. Turner, Mrs. Charles Vane, Mrs. Marrin Stoffel, Mrs. Warren Polley, Mrs. Raymond Jones, Mrs. Normal Jedele, Mrs. Ralph Jepson and Mrs. J. F. Dompke.

TO OBSERVE OPEN HOUSE FOR 60TH ANNIVERSARY

Mr. and Mrs. W. C. Edwards of 257 Ida ave. will celebrate their sixtieth wedding anniversary Sunday with open house from 2 to 5 p. m. Mr. and Mrs. Edwards were married in Chicago and came to Antioch in 1929. They held open house on the occasion of their fifty-fifth anniversary.

Evening Circle of the Methodist church will meet at 8 p. m. Thursday, May 12 with Mrs. Warren Polley, 998 Osmond Ave. Devotions will be led by Miss Carol Bean and Mrs. Rogers Westlake will talk on Mormonism. An election of officers will be held.

Decorations for Prom at Antioch H. School Has Undersea Theme

The effect of under sea travel will be provided Saturday evening in the decorations of the Junior Prom at the Antioch Township High School gymnasium.

Under the theme of Aqua Nocturne the juniors are making elaborate plans for the event which will see dancing from 8:30 to 11:30 to the music of Johnny Kaye's orchestra from Peoria. Kaye recently completed an engagement at the Melody Mill ball room in Chicago.

The public will be privileged to witness the crowning of the prom queen, Miss Priscilla Bauguess which will take place about 11 p. m. Miss Bauguess will be escorted by Bob Terry. Her court will comprise Rosalie Morris, Marye Schwicht, Pat Hamlin and Donna Ballwanz and their escorts will be Al Reckers, Don Schroeder, Frank Walsh and Don Cardiff.

Jerry Meyer and Joane Haydon are in general charge of decorations. Specific responsibilities are Bob Cain, walls; Sheryl Mair, entrance; Joan Forbrich, queen's throne; Charles Behrendt, ceiling; Donna Dittmer, band stand; Lenore McCord, refreshments; James Glenn, lighting; and Don Wertz, cleanup.

Antioch Third in Meets

Antioch thinsies took part in track meets at Ingleside Monday and Wednesday of this week in which they placed third both times.

Grayslake won the first meet with a score of 71, chased by Grant with a score of 69, Antioch got 33 points and Ela-Vernon 12.

Last evening Wauconda won. The scores were Wauconda 78, Grayslake 53, Antioch 37 4/5 and Grant 29 1/3.

Injuries and absences cut down the Antioch squad on Wednesday. In both meets Ben Floyd took first. Monday he was first in the pole vault but was tied for that position last evening when he won first in the high hurdles.

ANTIOCH B. P. W. CLUB TO BE DINNER GUESTS OF WESTOSHA CLUB MAY 16

The Westosha Business and Professional Women's club has extended an invitation to the members of the Antioch Business and Professional Women's club and their husbands, to attend a dinner meeting to be held at 7:30 DST, Tuesday, May 16, at the Red Barn, Twin Lakes, Wis. Reservations for the dinner must be made by May 10. Call Antioch 136W.

The Rev. Edmond Hood and Mrs. Hood, Mrs. Howard Gaston, William Brook and Mrs. Andrew Magiera attended the 118th convention of the Episcopal Diocese of Chicago, Wednesday, held at St. James church.

Antioch Red Cross Drive First to Reach Goal

George Borovicka, Antioch druggist, is shown handing a check to Lake County Red Cross Campaign Chairman John Kotcamp which put this community over the top with a goal of \$1,500. The total for the Antioch area was \$1,550. Mrs. Grayce Bryson observes the presentation which made Antioch the first to reach its goal.

Queen and Court of Antioch High School Prom

Miss Priscilla Bauguess, front row, center, will preside as queen at the Antioch High School Junior prom Saturday evening at the school gymnasium. Members of her court are, front row, left to right, Rosalie Morris, Miss Bauguess, and Pat Hamlin, and, back row, Marye Schwicht and Donna Ballwanz. Miss Bauguess, a twin, resides with Mr. and Mrs. Donald Summers at Lake Villa. (Courtesy Waukegan News-Sun)

ANTIOCH, ILLINOIS

BRING YOUR FORD BACK HOME FOR SERVICE

5 BASIC REASONS FOR PONTIAC'S RECORD-BREAKING SALES

1. PONTIAC COSTS LESS THAN ANY CAR EQUALLING ITS 200 HORSEPOWER

If you delight in flashing performance, here's all the reason you need to join the record-breaking thousands who are swinging to Pontiac. The 200 horsepower delivered by the economical Strato-Streak V-8 with the four-barrel carburetor, optional at extra cost, is the highest power ever delivered by a car at Pontiac's price—higher than that of cars costing considerably more. For thrills and thrills it's Pontiac all the way!

2. PONTIAC COSTS LESS THAN ANY CAR EQUALLING ITS LONG WHEELBASE

Model for model, Pontiac has a longer wheelbase than any car at its price, or any car delivering 200 horsepower... 122" or 124", depending on the Pontiac you select. That's size where it really counts—and it's important because a long wheelbase is the reason for Pontiac's smooth, road-leveling ride and the roomy comfort of Pontiac's large, luxurious Body by Fisher—advantages that put Pontiac on a level with far costlier cars for sheer riding pleasure.

3. PONTIAC COSTS LESS THAN ANY CAR EQUALLING ITS LUXURY-CAR STABILITY

The big, husky Pontiac with rugged X-member frame gives you the safe, solid feel at cruising speeds that motorists have formerly paid high prices to enjoy. And it links this road-holding comfort with ease of control like that of costly sports cars. You travel in superlative comfort in a Pontiac for the lowest price ever placed on such big-car stability.

4. PONTIAC'S DISTINCTIVE BEAUTY IS UNMATCHED AT ANY PRICE

Pontiac's style and beauty are a perfect match for its colorful performance. Future-fashioned lines, Vogue Two-Toning and Twin-Streaked hood provide dash and glamour unsurpassed by any other car at any price.

5. You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes

Come in and let us fill you in on all the facts and figures. We know you'll be pleased to see how little it costs to enjoy the pride and pleasure of fine-car ownership!

LOOK HIGH AND LOW AND YOU'LL GO

Scholarships for Nursing Available from Chicago For Lake Co. Students

Scholarships for nursing students in the Chicago area have been made available through a special fund established by the Chicago Council on Community Nursing. It was announced today by the Council.

The grants, ranging up to \$200, will be available for students accepted for the fall term in any State-approved school of nursing in Cook, Lake and DuPage counties. The awards will go into effect with the start of the fall term.

Purpose of the scholarships is to increase enrollment in state-approved schools of nursing, and to further nursing service to the community.

The grants, which will be applied toward tuition and other essential student expenses, will be awarded on the basis of academic and personal qualifications, as well as need. Winners will be selected by the Scholarship committee of the Chicago Council on Community Nursing.

Interested students should apply through the director of the school of nursing at which they have been accepted.

Supervoltage X-rays in ranges up to 5,000,000 volts are being used successfully in treating cancer. Aid this work by giving to the American Cancer Society Crusade.

During the three years of the Korean struggle, cancer killed 20 times as many Americans as the war did. Join the fight against it by giving to the American Cancer Society.

LAWN MAKING IS FUN WITH A Scott's SPREADER

Ramble along behind this handy little buggy... Apply Scott's like a miser... save Turf Builder and seed, as well as your time.

Work for a penny?

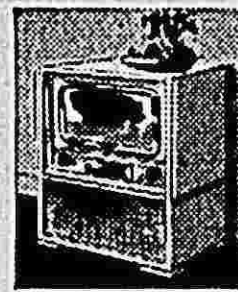

You bet he does!

Public Service Company's

LITTLE BILL still runs all these for pennies a day!

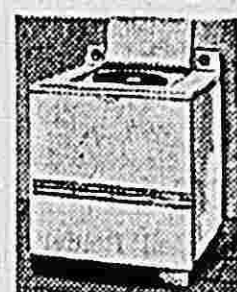

32 cups of coffee made automatically for a penny's worth of electricity.

2 hours of TV entertainment yours for 2 1/2 cents' worth of electricity.

For a cent or two a week an electric vacuum will clean your whole house.

A week's wash—3¢. Done automatically with your electric washer.

How Public Service Company keeps your electric bill down (while everything else goes up)

Today your family uses lots more electricity than ever before. And you're getting almost twice as much of it for your money as you did 25 years ago.

One reason is Public Service Company's constantly improved equipment. This year 2 new, high-efficiency generators are going into service. One of these operates so economically it can convert 1 pound of Illinois coal into 1 kilowatt-hour. (That's 18.7% better than the average.)

So, while the cost of living's doubled, electricity still costs you less per kilowatt-hour than it did 25 years ago.

*You'll feel like a pilot
without leaving the ground*

*Just wait till you switch the pitch
of Buick's new Dynaflo!*

How would you like to take the wheel of a high-powered Buick and feel an experience you never felt before in any earth-bound vehicle?

How would you like to do—just by pressing down the gas pedal—what a pilot does when he's ready for take-off?

And how would you like to drive with the happy thought that you're getting plenty of miles per gallon in normal cruising—and the electrifying action of the world's first airplane-principled transmission when you need it for split-second getaway response or accelerating power?

It's all for you when you say the word and slip into the driver's seat of a new Buick with Variable Pitch Dynaflo.*

Not only do you take command of record-high Buick V8 power—and the most envied ride in the industry—and the brawn and heft and luxury of a truly solid automobile.

You also call the turn on twenty propeller-like blades deep inside a wondrous new Dynaflo that's patterned after the principle of the modern plane's variable pitch propeller.

You hold these blades in their high-economy angle when you press the pedal in the normal way—and you get a lot more miles from a tankful of gas.

You switch the pitch of these blades to take-off position when you press the pedal way down—and you get spectacular action instantly.

Don't take our word alone that this is thrilling beyond all previous experience.

Talk to anyone who's tried it. Or, better yet, come try it yourself. That way you can learn firsthand why Buick sales are soaring to all-time best-seller highs. Drop in this week, won't you?

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

By JACK SEIB and JOHN SHERBET

Many times at COURTEOUS TV people have asked us, "Just what is television anyway; what makes it work; why does it break down; give us a non-technical answer that we can understand?"

So here goes... The TV picture begins in a camera; thirty pictures per second, about seven-eighths inches high and one and a quarter inches wide. But, instead of film, these pictures are recorded in an electron tube which changes the picture to an electrical pulse, then to a TV wave. The sending station sprays the wave to your antenna and your TV set changes it back to an electrical pulse and flashes it onto your screen as a picture again. All this in an instant, showing the action before the camera.

Now, if your screen does not give you a clear-cut, easy-viewing picture, you can be sure in about 95 per cent of the times that somewhere between the tip of your antenna and the inside of your picture tube, that electrical pulse has gone astray. It must pass through a multitude of electronic devices which makes-up your TV set. Phone Antioch 144 and we will put that straying pulse back on the path toward a good picture.

AMERICA'S FOREMOST ARTISTS VOTE PLYMOUTH

"AMERICA'S MOST BEAUTIFUL CAR!"

*"To Plymouth in honor of the men and women who designed
the 1955 Plymouth—most beautiful car of the year"*

—SOCIETY OF ILLUSTRATORS CITATION

Plymouth is proud to announce this award bestowed by the famed Society of Illustrators. To the trained eye of the professional artist, Plymouth's *Forward Look* styling represents the year's most beautiful automotive design.

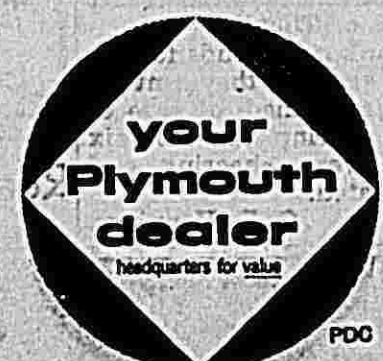

You'll appreciate this beauty, too, and

what it does for you. How, for example, it gives you the greatest visibility of any low-price car... the roomiest interiors... the largest trunk space.

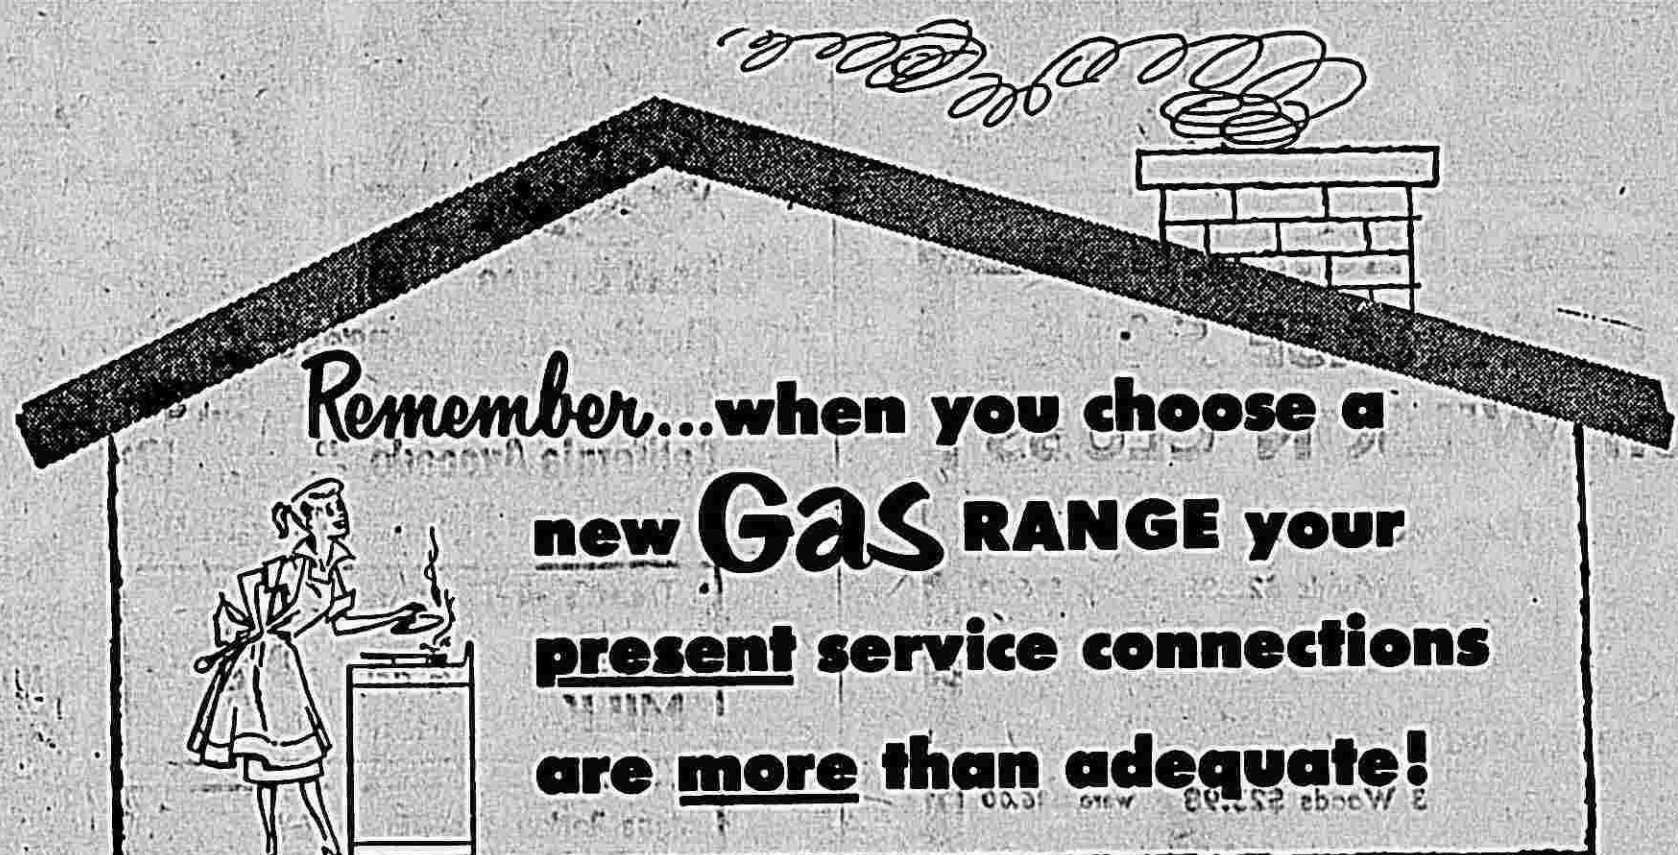

But see for yourself. See America's most beautiful car today—the all-new PLYMOUTH!

**OLD TIME DANCE CLUB
TO SEE CHICAGO T-V**

About 40 members of the Old Time Dance club will go to Chicago Friday evening to witness the Courtesy Hour TV broadcast between 10 and 11 o'clock. They had hoped to see a square dance broadcast but couldn't get tickets for that night and will see a variety program instead.

The club at its last dance of the season chose Mr. and Mrs. John L. Horan, Mr. and Mrs. John W. Horan, and Mr. and Mrs. Homer White as the committee in charge of the programs for next year.

Plan Grand Opening

Ernie and Chuck Polze, proprietors of Polze Bros. Texaco filling station, are planning a grand opening for May 12, 13, and 14.

The Polzes purchased the station last fall from Herbert Beager, but have delayed until this time their grand opening. They will offer special inducements to people to stop and visit them on this occasion.

Editors Chosen

Mary Tully was named editor of the High School Tom Tom for next school year. Other appointments are Marye Schwicht, news editor; Rosalie Morris, feature editor; Donna Dittmer, art editor; and Lillian McNeil, sports editor.

Mr. and Mrs. J. Edward Dompke of the Morley subdivision returned home last week after spending four months in Hollywood, Fla.

Antioch chapter Order of Eastern Star observed worthy matrons and worthy patrons night Saturday evening, April 30, at the Masonic temple. All stations were filled by officers of Lake county chapters. A delicious lunch was served from beautifully decorated tables following the meeting.

The Rev. and Mrs. Howard Benson are moving to their new Methodist parsonage at 796 Parkway today.

C. E. Hennings arrived home last Thursday from Monroe, Wis., where he has been receiving medical care for the past six weeks.

Card of Thanks

I wish to thank my friends for the many cards of greeting they sent me while I was under medical care at Monroe, Wis., during the last six weeks. They were cheering and greatly appreciated.

C. E. Hennings.
